

Your pets can (and should!) stay with you at Villa Laguna

If they are part of the family, why not to bring them?

We know that if you are reading this part of our website it is because we have something in common: we see our pets as family members, and for that reason we make it a point to bring them with us on vacation.

At Villa Laguna we are proud to be pet friendly!

Animals are free to roam the property without any restrictions. The property is fully fenced.

Upon arrival you can count on:

- Fresh water bowl and food bowl;
- Specific towel for hair drying;
- A little treat (snack).
